Carlsbad Imaging Center & Imperial Radiology

Many insurances require prior authorization for radiology exams such as MRI, CT, Ultrasound, Dexa, and X-Ray.

The referring office must obtain prior authorization for HMO insurances before the study is scheduled.

We are happy to help with any questions if you are unsure about an exam needing prior authorization or not.

We will attempt to obtain prior authorization on all PPO insurances.

Please provide our office with the following information for PPO insurance authorizations:

- Your Office Tax ID# & NPI
- Clear copy of patient **Primary and Secondary** insurance card (**front and back**)
- Clear copy of RX with CPT/ICD-10 codes
- Clinical notes, including reports from related prior studies
