#1 How to search for patient exams and PRINT patient reports

- Go To www.carlsbadimaging.com or www.imperialcountyradiology.com
- Click on **PHYSICIAN'S PORTAL, IMAGES & REPORTS** ➔
- Enter your portal userID and password and click "sign on"

- Click on **TOP RIGHT CORNER SEARCH BAR**
- There are multiple ways to search for your patient.
- If your patient was seen any time in the last 10 years, we recommend searching by "last name, first name".

- Find your patient's exam, click on "Final" in the status column to view the report.
- Click "Print Friendly" to print the report.
- Click on "Final" again to exit back the patient search bar

#2 Viewing Patient Images on Web Viewer Option (*No software installation required*)

- Click on empty box on the left side of the row of the patient you wish to open.
- A set of icons will appear, select the "Open in Web Viewer" icon
