AGREEMENT REGARDING FINANCIAL RESPONSIBILITY FOR MEDICAL SERVICES

- I understand that it is my responsibility to provide the most updated and accurate information
 concerning my insurance or health plan coverage to Carlsbad Imaging and/or Imperial Radiology
 ("Provider"). I understand that my health plan or health insurance company may specify copayment amounts (copays") or Member Cost Share amounts for which I am responsible for paying
 directly to Provider.
- 2. I understand and acknowledge that my health insurers or health plan may pay only for services that they determine to meet their coverage requirements and benefit terms. For example: some insurers require prior authorization for certain services. Some insurers have decision-makers that disagree with the medical necessity of certain recommended treatments, tests or examinations.
- 3. I understand that if my insurer or health plan determines that the services or any part of them are not medically necessary, or fail to meet other coverage requirements (such as obtaining authorization or filing a claim in a limited time), the insurer or health plan may deny payment for that service.
- 4. Except as provided in Paragraph 5 below, I agree that I am responsible for Provider's charges (a) if not paid by the insurer or health plan, or (b) I am not eligible under my insurance or health plan at the time of service. I understand and agree that if my account is referred to an attorney or collection agency, I will also be responsible for paying the attorneys' fees, interest, and other costs of collection. All delinquent accounts shall bear interest at twelve percent per annum, not to exceed the maximum amount permitted by law.
- 5. In certain cases, Provider has agreements with health plans and insurers that prohibit Provider from seeking payment from their insured members for <u>covered medical services</u>, (other than copays or Member Cost Share amounts). In those situations, Carlsbad Imaging and Imperial Radiology will NOT seek payments from patients (other than copays or Member Cost Share amounts) for <u>covered medical services</u>. However, if I am notified by Provider that a service is not a covered service and I continue to request that Provider nonetheless deliver the non-covered service, I will be responsible for the cost of the service, regardless of the health plan or health insurance provisions.
- 6. Deductions and Copays cannot always be predicted at the time of service, as patients' benefits can change throughout the year. It is the responsibility of the patient/payee to pay the correct copay or Member Cost Share amount either at the time of service, or as subsequently billed.
- 7. The undersigned certifies that he/she has read and understands the information above, and is the patient, or the person financially responsible for the patient's treatment needs, and is duly authorized to sign this document.
